

# BAMBOO PAVILION

## The Ultimate Beach Celebration

Our custom-designed bamboo pavilion offers an amazing eco-friendly beach wedding experience.

Stradbroke Island Events is the only company in Queensland providing the full experience of a beach ceremony and reception, all in the one location.

Made from ethically harvested bamboo from Mapleton in the Sunshine Coast hinterland, this structure is transported to the island and lovingly built piece by piece by an experienced bamboo construction team. Each pavilion is custom-designed to meet each client's specific requirements.

There is no other beach venue that blends so seamlessly with the outstanding natural beauty of North Stradbroke Island.

This venue needs few words. The images speak volumes.

Clients can expect to enjoy:

- Clear, starry night skies
- The sound of the ocean rolling into shore
- Abundant coastal wildlife
- Living greenery and plants to compliment the natural environment.

Stradbroke Island Events is passionate about exercising sustainable event practices whilst delivering stunning, evocative, destination weddings. The island's close proximity to Brisbane makes weddings on Stradbroke Island easily accessible whilst feeling a world away.

## FAQ

### BOND

All products and services require a \$500 security bond. Subject to event breakages, damages or breach of terms and conditions, the bond will be refunded within fourteen days of the event.

### VENUE

The bamboo pavilion, positioned on a sandy beach, is suited to guests without mobility issues. Guests will be walking in sand from the commencement of the ceremony until they depart the reception.

### WEATHER

The bamboo pavilion protects against light rain. It is not completely weather-proof. It is strongly recommended that clients, when booking a bamboo pavilion, reserve a back-up venue such as the community hall.

### ADDITIONAL GUESTS

Additional guests may be added or removed from the package guest number. Based on the final guest numbers (due one month out from event date) and style of reception, additional space, hires and staff may also be required. Chat to SIE about your desired guest numbers so we can prepare and ensure pricing is clear.

### STYLING

When we first connect, SIE will ask about the style you love and the overall look and feel you wish to create. Sending SIE your Pinterest board or images will greatly assist SIE in delivering your vision.

### WAIT STAFF & SECURITY

As venues are installed in public places, staff are required to be onsite at all times. Wait staff serve drinks, manage the venue and problem solve for clients. A security guard stays onsite prior to and on the night of the event.

### DRINKS

Clients choose between a bar tab, cash bar or a mix of the two. Stradbroke Island Events offers cash and EFTPOS facilities onsite for cash bars. During the event, clients will be advised as the bar tab approaches the prepaid amount. Clients need to advise SIE if they will likely extend the bar tab should it reach its limit. If clients wish for guests to purchase their own drinks past the bar tab limit being reached, this should be rearranged with SIE 30 days prior to event.

Wine and champagne are sold by the bottle when the bar operates under a tab. Per glass and per nip pricing applies under cash bar arrangements.

Specific beverage requests must be received and agreed to by SIE no later than sixty days prior to the event date. Especially requested alcohol that hasn't been consumed during the event can be collected from the event site by the clients on the morning following their event.

Drinks service finishes thirty minutes prior to the reception's end time.

In accordance with Queensland legislation, responsible service of alcohol will be strictly adhered to and therefore all alcohol is to be served by Stradbroke Island Events staff. See <https://www.business.qld.gov.au/industries/hospitality-tourism-sport/liquor-gaming/liquor>

Under Queensland law, consumption of alcohol in a public place is prohibited without the appropriate liquor license. Stradbroke Island Events' mobile liquor license is extended to clients purchasing a marquee package. Clients are obligated to purchase alcohol from SIE.

BYO alcohol isn't permitted in beach/headland events.

### **ENVIRONMENTAL PROTECTION**

To preserve the natural environment on North Stradbroke Island, we ask that balloons, rice, confetti, single use plastic bottles and plastic straws are not used.
