FAQ

DO I NEED A PERMIT?

Yes. Use of public land for organised events necessitates the granting of a location permit. Stradbroke Island Events prefers to manage the permit booking to ensure the correct booking timings and locations are reserved. Should clients have already secured a permit from Redland City Council, SIE requests that clients forward a copy of their permit. All bookable event locations are public spaces, therefore holding a permit doesn't exclude the public accessing the area. Please note, most people are respectful and keep a distance from organised events.

WHAT IF THE WEATHER IS RAINY OR WINDY?

SIE recommends a wet-weather location is nominated/booked by clients. Accommodation is the most suitable (and least expensive) wet weather back up venue for packages in this brochure. Many couples proceed with their original plan regardless of weather conditions. Please note that some event items cannot be used if rain commences, eg. jute matting, parasols, cushions and sound equipment.

CAN WE HAVE DRINKS?

Under Queensland law, consumption of alcohol in a public place is prohibited without the appropriate liquor license. Stradbroke Island Events' mobile liquor license is extended to clients purchasing a Proposal and Romance package. Clients are obligated to purchase alcohol from SIE. BYO alcohol isn't permitted in beach/headland events.

I'M READY TO BOOK BUT AM UNSURE OF MY PREFERRED STYLE.

To secure their preferred location on their preferred date (as well as SIE services), clients are encouraged to book early. Styling decisions can be made during the planning process.

CAN I CHANGE PACKAGES AFTER BOOKING WITH SIE?

Once a Stradbroke Island Events package is booked through the payment of a deposit, changes can be made up to one month out from the event date. No further deductions are possible after this date.
