For events sizes 20 - 40 guests you can also choose to add a bar and bar staff person to serve drinks in which case you can have a bar tab or have guests buy their own drinks.

For events 40 guests and upwards for open air cocktail style events with fencing we install a bar and have bar staff to look after alcohol service. You have the options of having a full or partial bar tab which means you can put a certain amount on the tab and have guests cover themselves once it runs out or you can cover the drinks for the whole

event. You can also choose to only have certain drinks included on the tab such as wines, beers and bubbles included and guests can buy their own spirits and cocktails.

#### **WHAT HAPPENS ONCE MY BAR TAB RUNS OUT?**

Once your bar tab is getting close to being exhausted our bar staff will inform you, you can either decide to top it up or have guests buy their own drinks from there on out.

You will not have to pay for the additional money added to the bar tab on the spot, this can be sorted out the next day if needed but it will need to be paid for within a two day period after the event

#### **WHAT HAPPENS IF WE DON'T USE ALL THE MONEY ON THE BAR TAB?**

If there is remaining money on the bar tab this will be refunded to you within the week after the event concludes.

#### **WHAT DO WE DO IN THE CASE OF BAD WEATHER/ RAIN?**

For your wet weather ceremony backup you have a few options. We suggest either booking another venue or speaking with Straddie Brewery management and asking if you can use part of their venue for your ceremony. You also have the option of adding on a marquee to be setup at your ceremony location choice, please note that SIE will require 48 hours notice for this.
